

**DIRECTOR OF GLOBAL EQUITY
CALIFORNIA STATE TEACHERS' RETIREMENT SYSTEM
(CalSTRS)**

CalSTRS is seeking a Director of Global Equity to provide leadership and investment expertise in the management of its \$100 billion global equity portfolio, using both internal investment management staff and external investment managers.

Reporting to the CIO, the Director of Global Equity will develop and implement a comprehensive investment strategy, lead and manage the global equity team of ten investment professionals and support staff, provide research and industry leadership, and serve as part of the senior leadership team of CalSTRS Investment Branch.

The ideal candidate will have:

- senior level experience managing a large global equity portfolio
- previous experience as a senior portfolio manager level in a sophisticated investment environment
- experience managing and mentoring investment professionals in a complex organization
- experience in the public sector or in a heavily regulated corporate environment
- an advanced degree
- a CFA

Compensation, which is set by the CIO and the CEO, will be market-based within the public sector, corresponding to the experience level, credentials, and personal characteristics of the candidate, and will include participation in CalSTRS investment incentive compensation plan.

CalSTRS offers an excellent benefits package. Relocation assistance will be provided in accordance with CalSTRS relocation policy.
